VCE English 1/2

English Units 1 and 2 develop the three core skills that run through all of VCE English: analysing argument, crafting original texts, and responding to literature. Our programme builds these skills progressively across the year, with dedicated SAC preparation for each task and a comprehensive exam revision block to close out the year.

resilience, and having a plan.

You can think of Contour as your trustworthy mountain guides. We know the shortcuts up the slope, and we know the traps to avoid. But above all, we know that each student will have their own individual path to the peak. All we want to do is figure out how to get you there!

Through our Practical and Content classes, we will help you with the specific texts and frameworks you study at school. Essay feedback is provided for every student, every lesson, and we provide high-scoring exemplar pieces and notes to assist in your learning.

Above all, English at Contour is a place where you will develop a strong relationship with your tutor, who knows your writing, and who will help you every step of the way.

What do our students & parents think?

I recommend Contour for anyone who is struggling with VCE content or looking to get ahead.

Contour helped me understand the UCAT better and allowed me to hone my skills in a comfortable learning environment. The tutors also were super

I've been attending Contour for the past 2.5 years. They have been able to find the perfect blend between an amiable culture and determination
